Phase 5 Sounds

Writing

This week, we will be using photos of the children taking part in different activities of their own choice, and asking them to annotate these photos themselves, encouraging them to write a sentence, leaving spaces between words

Maths

This week, we will be focussing on addition, recapping how to add practically, and also learning how to write addition number sentences, using the signs: + and =. The children will have a go at creating their own addition sums.

Reading

We will be reading and acting out Fairy tales
