

*Every Child, Every Chance, Every Day*

## Emerald Class w/c 1<sup>st</sup> February 2016

Here is an overview of some of the activities we will be doing this week, in whole class and small groups.

### Topic

This week an alien has crash landed in our classroom. We carefully collected evidence and labelled it, thinking about what these items could be used for in space. We interviewed the alien who said he was lost and wanted to go back home. We are trying to build a new spaceship for him and hope to learn about his planet.

### Letters and Sounds

This week we are learning the trigraph sounds from the Phase 3 phonics scheme:

EAR AIR URE

We will be using our letters and sounds to write a News Report all about the alien crash landing in class this week!

### Maths

We will be weighing and comparing all the evidence we have collected from the space ship crash site. We will be using the language of heavy and light.
