

Every Child, Every Chance, Every Day

Emerald Class w/c 29th February 2016

Here is an overview of some of the activities we will be doing this week, in whole class and small groups.

Topic

This week we will be practising our assembly, the amazing journey of Major Tim Peake from pilot to astronaut! We will be talking about what he did to make him a good astronaut, how astronauts train, and learning a bit of русский язык (Russian language!) to communicate with astronauts from other countries on the ISS.

Letters and Sounds

We continue to revise all Phase 2 & 3 sounds and learn new consonant blends this week.

And attempting to write words with these tricky blends in our chick diaries. We will also be doing some work on our letter formation and naming of letters, making alphabet strips to display.

Maths

Now we understand how to describe 2D shape, we are moving on to bigger things! 3D shapes have lots to talk about! This week we are using 3D shapes to build the best tower. Is it better to use shapes with *flat faces* or can you use the *pointed cone*? Why not try some 3D towers at home?
