

Every Child, Every Chance, Every Day

Emerald Class w/c 14 March 2016

Here is an overview of some of the activities we will be doing this week, in whole class and small groups.

Topic

We will be focusing lots of New Life this week in the lead up to Easter. We have discussed the Easter story and the children have begun to prepare for our Easter service at church by singing songs and learning actions too.

As our Space topic winds down we will be thinking about Tim Peak's journey back to Earth and also what he will be bringing back with him (hopefully some seeds taken to space for us to plant new life here at St Marks!)

Letters and Sounds

Our new blends this week will be:

We are learning to spell: **was you**

We are learning to read: **have, like, some, come**

We are also using our letters and sounds to write sentences about what we like and don't like, some of us using 'because' to explain why. We have begun a long write on Friday mornings to extend our writing too.

Maths

This week we are focusing on using the language of adding and subtracting in real life contexts (superhero dramas and space stories, obviously!)

Please encourage any maths 'chat' at home when talking about adding chips to your plate because you want more. Or taking away a sweet from the box and now there are less to share round!
