

Every Child, Every Chance, Every Day

## Emerald Class w/c 11<sup>th</sup> April 2016

Here is an overview of some of the activities we will be doing this week, in whole class and small groups.

### Topic

This week we are beginning our new topic of Mini-beasts. The children will go on a bug hunt in the environment and collect mini-beasts to classify and sort using their language skills. We will also talk about how to care for creatures who share our world.

### Letters and Sounds

We continue to revise all Phase 2 & 3 sounds and learn new consonant blends this week.

We will be using our letters and sounds to write sentences about our hopes and dreams for the future as we grow and change! The children will have a new display on this topic in the corridors soon!

### Maths

We will be counting the legs of mini-beasts we find on our hunt. The children will also be adding together and finding the total amount of legs on mini-beasts. We will be going over how to record our findings using numerals and number sentences.
