

Every Child, Every Chance, Every Day

Emerald Class w/c 9th May 2016

Here is an overview of some of the activities we will be doing this week, in whole class and small groups.

Topic

We will be looking closely at snails this week! We will be making snail mobiles; thinking about the patterns we can see we will work on our fine motor skills to cut accurately to create the mobile. We will also be reading *What the Ladybird Heard* by Julia Donaldson.

Maths

This week we will be continuing and creating repeated patterns using numbers, letters, sounds and shapes. We will be developing our maths language to describe what comes next in a pattern.

Letters and Sounds

We continue to revise all Phase 2 & 3 sounds and learn new consonant blends this week.

Using *What the Ladybird Heard* as a starting point we will be creating 'stealing maps' like the robbers in the story using positional maths language to describe our plan!
