

Computing

In computing lessons we will be using Scratch. We will also be using the Internet to research our topic.

Topic

This term our topic is 'Keen To be Green'. During this topic, we will develop an understanding of 'Green Issues' such as attempts to manage the environment sustainably. We will be learning about the importance of protecting our planet.

Science

In Science, we will be continuing to learn about Forces and we will also be learning about Earth and Space.

RE & PHSE

In RE this term, we are learning about festivals across different religions. In PSHE, we are learning about keeping safe and managing risks.

Jet Class

PE

Jet class will have PE every Thursday. This term we will be having PE lessons with the Arsenal coaches. Pupils will require their full PE kit.

Music and Homework

Please bring your instrument and music folder to school every Tuesday. Make sure that you practise the music you are given as part of your weekly homework. Homework will be set each Friday and expected back on the following Wednesday. Remember to read every day and bring your reading log and home reading book to school every day.

English

This term we will be linking our writing to our topic 'Keen To Be Green'. We will be writing across a range of genres. We will be looking at persuasive writing and balanced arguments while discussing many environmental issues. In poetry, we will be writing poems that convey a powerful message about an environmental issue. Later in the term, we will study autobiographical stories by Roald Dahl and Michael Morpurgo.

Class Information

Tuesday 31st January - Year 5 Class Assembly 10am
Wednesday 8th March - Year 5 Open Afternoon 2.30pm
13th - 17th February - Half Term
Friday 31st March- End of Term (2pm)
Trip - Gillespie Ecology Centre - Date TBC

Maths

This term we are going to be revising all four operations and will be using them to solve problems. We will also be studying fractions, measures, data handling and time. It is really important that your child can confidently recall multiplication facts. We will be working really hard to earn our times tables' medals.
