

## Weekly Overview - Week Beginning 23.01.17

Here is an overview of some of the activities we will be doing this week, in whole class and small groups.

### **All about me**

This week will be talking about ourselves and learning about different types of families. Please bring any photos of your family that can be put in your child's learning journals. We are aiming to use the photographs to encourage lots of speech and language.

### **Phase 1 Phonics**

We will focus on sounds that children can hear in the environment

Some children will be continuing to work through phase 2 letters and sounds

### **Writing / Mark making**

We will encourage children to make their self-portrait and write their name.

### **Maths**

We will be using vocabulary like 'young and old' to help the children begin to understand this concept. We would like the children to bring in photographs of their family members to place in order of age. Children can also bring in photographs of themselves as a baby to now and order them.
