

Weekly Overview - Week Beginning 22.05.17

Here is an overview of some of the activities we will be doing this week.

Mini Beasts

This is the last week for our topic as half term holiday is coming very soon. Pearl class will be looking for more mini beasts in the garden. We will use our knowledge to identify insects and bugs in our Mini Beast hunt. On Wednesday Thursday & Friday we would like some of you to join us in the afternoon and to read out a story. If you are happy to visit us, let us know.

Literacy:

We will focus on developing the children's language by making up stories and talking through their experiences.

Writing: We will encourage the children to draw webs, insects and to complete their list for the Bug hunt.

Maths

We will reinforce our children's ability to notice different patterns and shapes in the environment by looking at different types of mini beasts.
