

Every Child, Every Chance, Every Day

GENERAL DATA PROTECTION REGULATION

Keeping personal information safe and secure is our top priority. Our data collection and processing systems have been reviewed in line with data protection law - 25th May 2018.

The changes don't alter what we use personal information for, but make it easier for you to find out how we use and protect information. The fact that the law is changing only builds on what we already do already.

However, if you would like to find out more, please take a look at our updated privacy notice or our data protection policy on our website under School Info.
