

Weekly Overview - Week Beginning 30.4.18

Here is an overview of some of the activities we will be doing this week, in whole class and small groups.

Topic (In the Garden)

Next week we will be continuing our investigation of the conditions that plants need to grow. We will examine the cress seeds we planted which have different variables (water, no water, light, no light) and look for differences between them. We will also begin to learn more about mini beasts and their features. We will be reading 'The bad tempered ladybird' by Eric Carle and lots of non-fiction books.

The Bad-Tempered Ladybird
Eric Carle

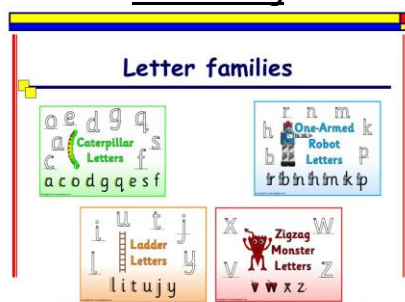

Letters and Sounds

This week we will be revising the Phase 3 sounds we learnt last term and continuing to apply them in our reading and writing. We will be continuing to focus on: ai, ee, igh, oa, oo (boot, hoot, moo).

Handwriting

Maths

This week we will be sorting mini beasts according to their features (wings/no wings, 6 legs/8 legs, colours, etc). We will also be counting lots of insects!
