

Computing

We will be learning how to use keyboards on laptops and iPads to research our topic.

Topic: Oceans and Seas

This term, our topic is 'Oceans and Seas.' We will learn about the different seasonal and weather patterns in the United Kingdom, the location of hot and cold areas of the world in relation to the Equator and the continents and oceans. We will be using the laptops and iPads to research and make cross-curricular links to history, human geography and art.

Science

In science, our topic is 'Use of Everyday Materials'; we will study the properties and uses of different materials such as metal and plastic in everyday life. We will also be looking at what plants need to grow and survive.

RE

This term, we will be exploring the concepts of Islamic commitments to God, the story of Noah and Easter symbols.

Ruby Class

PE

We will have PE every **Thursday** with Lance where we will be doing athletics, gymnastics and multi-skills games.

Class Information

Class assembly: Tuesday 3rd March 2020

Open afternoon: Wednesday 5th February 2020

English

This term we will be studying the books, *Jim and the Beanstalk* by Raymond Briggs and *The journey home* by Frann Preseton- Gannon. We will be covering a range of Literacy genres including writing stories, poetry, non-chronological reports and persuasive writing and variety of different language features.

Homework

Homework will be given each Friday and should be handed in the following Wednesday. Please read with your child daily.

Maths

This term we will be continuing with work focusing on place value and number. We will be looking at multiplication and division, addition and subtraction, fractions and measures. We will be teaching the children how to use various maths tools that can be helpful during lessons.
