

Easter Holiday Activities

Below is a list of different activities that you can do at home during the holiday. Please choose 3 (or more) to do over the two weeks. In addition to this, teachers and support staff will be reading one storybook a day that the children can listen to throughout the week. This will start on Monday the 6th of April.

<p><u>Cooking and Baking</u> Research some of the WW2 rationing wartime recipes. Bake one with an adult! Use this link for some ideas: Recipes Don't forget to let us know what you made in the comments section!</p>	<p><u>Space Poem</u> Watch this clip. You don't have to watch all of it but it is magnificent if you have the time! Planetarium Write a poem about the beauty of space.</p>	<p><u>Using Morse Code</u> Write a message to a friend or family member using Morse code. You could design your own code with someone in your house and write messages to each other.</p>
<p><u>Songwriting</u> We have sung many wartime songs in school. See if you can write your own song to boost morale of the soldiers like Vera Lynn did.</p>	<p><u>Time Capsule</u> Use the activities I have posted on our learning page to make a time capsule of this time for you to open in 10 years. You may want to include other things in your time capsule.</p>	<p><u>Converting and Rationing</u> I have uploaded a rationing problem solving powerpoint to our home learning page. It involves converting between old British money and new British money. See how many you can solve.</p>
<p><u>Earth and Space</u> Write a radio speech about an astronomical event (i.e. meteor shower, moon landing, shuttle launch etc.)</p>	<p><u>Easter Holy Week Art</u> Use this link to look at the resources Mrs Bearfoot has uploaded about Holy week and answer the questions. Some very thought-provoking material! You may want to draw your own. Holy Week</p>	<p><u>Spring Flowers/plants</u> Research what plants and flowers bloom in spring, choose your favourite and sketch it, make sure to include detail. You can paint it too.</p>
