# St. Mark's Day Challenge

St. Mark's Day was on April 25th and to mark this occasion St. Mark's School is asking all children to design, make, create or construct a lion for display on the website to celebrate. Once you have made your lion you can ask your parents to send a photo of it into; admin@st-marks.islington.sch.uk

Below are some ideas to inspire you!

We are looking forward to your creative artwork to display on our website to celebrate this special occasion. "HAPPY ST MARK'S DAY EVERYONE!!!!"
