Wednesday on

## Summer 1 – 'In the Garden'

the Magical Cat' (you will find this on the home learning

page on Wednesday).

This week ask somebody at home to read the story to

you and talk about the characters and objects in the

## Emerald Class Timetable - Week beginning 11th May

Daily exercise: Workout with Joe Wicks on Youtube (9am-9.30am)

Daily reading: read to or share a story with somebody at home. Listen to Miss Adams' story time on Tuesdays and Thursdays (on the home learning page). Which part of the story did you like the most?

Quiet Time/Meditation: Find a quiet time each day to sit down and relax. Listen to calming music on Youtube<a href="https://www.youtube.com/watch?v=iqm01RlqorU">https://www.youtube.com/watch?v=iqm01RlqorU</a>
Collective Worship: This can be found on our home learning page and has ideas for Monday and Wednesday.

Christian Value of the week: 'Trust'. Who do you trust? Who do you ask for help when you are hurt or sad?

<u>Monday</u>	Calendar & Weather  Use your calendar from last week to find which date/number it is today. How many tens and ones are in this number? What date will it be tomorrow? What date was it yesterday?	Maths At dinner time use your food to explore double and half, e.g. if you have 2 peas on your plate and your mum doubles them how many peas would you have? Or If you have 6 chips on your plate but your mum takes half away how many would you have left?  Practise with amounts to 10 or higher if you want a challenge.	Music Use the link on the Home Learning page to the 'Sweet Beats' Youtube video. Try to match the beat with Cherry and Beet. Focus on your rhythm and keeping up with the beat of the song. Can you make your own song using the cherry and beat rhythm?
<u>Tuesday</u>	PSHE/Feelings Follow the link below to a free online story called 'The Scared Gang Have to Stay at Home'. This is a book written by an occupational therapist and explains staying at home and coronavirus to young children.  https://www.sensoryattachmentintervention.com/publications	Maths  Watch the song below on doubles. How many double number sentences can you remember?  Can you sing along with the song?  If double 5 is 10, what is half of ten? Use your fingers to help you.  https://www.youtube.com/watch?v=IkOAgzD-8	Family Box Listen to today's story time (on the home learning page) 'Growing Frogs'. What is the life cycle of a frog? What do they look like when they are babies and how do they grow? Have a look at some photos of you as a baby. How have you changed as you have gotten older? What do you think you will look like when you have grown up? Draw pictures to show this and write your age next to the pictures.
<u>Wednesday</u>	<u>Phonics</u> Watch the jolly phonics phase 3 sounds	<u>Maths</u> Use a paper plate (or a circle drawn on white	Story Telling and Writing  Each week we will be completing an activity from 'Mavis

paper) with a line drawn in the middle to make

your own dinner plate with doubles, e.g. 2 peas on

one side and 2 peas on the other side. Practise

saying '2 plus 2 equals 4'.

the News Page.	Today we are learning the sound 'ur'. Can you find this sound on your phase 3 sound mat? What is the picture below it?  Can you read these words - fur, burp, burn, curl? What do these words mean? Write the sentence 'I can burp'. Can you draw a picture to show this?	Use your fingers to help you and have a go at recording the number sentences.	story.  You could chat about: • colour/size • what they look like • what they are wearing • what it feels like • do you like them? • have you seen one before?
Thursday	Phonics Watch the tricky words song and have a go at writing some of the words. We are learning the sound 'ow'. Follow the link below to play a fun game. Click on Phase 3 sounds, buried treasure, 'ow'. Sound out the words and decide whether they are trash or treasure.  https://new.phonicsplay.co.uk/resources/phase/3/buried-treasure	Topic  Go on a mini beast hunt in your garden or in a nearby park. If you aren't able to go outside then watch the video below of children going on a minibeast hunt.  What insects did you find? Can you draw a picture of them and write a sentence about what you found.  https://www.youtube.com/watch?v=a8xgh2H5dG  w	RE  Big Question: Who cares for this special world and why?  This Week's Question: How can we care for our world every day?  Christians believe that God gave us different talents.  Watch the video below of children acting out 'The Parable of The Talents'.  https://www.youtube.com/watch?v=BNH4IjGWI-8  What special talent has God given to you? How could you use your talents to help care for our world? Make a badge to show what your special talent in, e.g. planting seeds, picking up litter, turning off taps, using junk to make wonderful art, making books from recycled paper.
<u>Friday</u>	Phonics Practise the Phase 2 and 3 sounds, can you use your sound mats to read as many as you can? This week your parents and carers got a Ping with your Purple Mash and LGFL logins. Try to log into PurpleMash, go to 'reading and writing' (the teacher's book), phonics phase 3, 'ur and ow'. Have a go at sounding out the words and filling in the sounds.  https://www.purplemash.com/sch/stmarksn  19	Maths Use the table below to go on a maths scavenger hunt! If some of the words are tricky to understand ask someone at home to help you. Have a go at finding them and then colour in the box. How many did you find? Write the number down.	Freestyle Fridays/ICT  Go to the blog page on the website and share with your friends what your favourite music to dance to is.  Which dance moves can you do? Who did you like to watch dancing when we did Freestyle Fridays at school?

THE MUM EDUCATES

- Find number twenty in a book.
- ☐ Find five circle objects.
- ☐ Find something heavier than a box of chocolate.
- ☐ Find a pencil and a crayon. Which is longer?
- ☐ Find a rectangle.
- ☐ Find a feather and measure its length.
- Draw a triangle.
- Find and write three odd numbers.
- Count your socks in 2s.
- ☐ Find five 3D shapes.
- ☐ Find a pattern in your house.
- Find an array.
- Count your fingers in 5s.
- Measure yourself.
- Find an object that is 10cm long.
- ☐ Find something with four corners.
- Find something longer than your hand.
- □ Count how many toys you have.
- Find a shape that has a line of symmetry.
