

# Summer 2 – ‘Dinosaurs!’

## Emerald Class Timetable – Week beginning 1<sup>st</sup> June

**Daily exercise:** Workout with Joe Wicks on Youtube (9am-9.30am) and 'Lance's Wednesday Work Out' on the St Mark's News Page.

**Daily reading:** read to or share a story with somebody at home. Ask somebody to read a story to you and ask them to describe the setting. Have a go at drawing the setting you imagine and check the book to compare the pictures.

**Phonics:** Practise your phonics by using the resources on the Emerald Class home learning page and watching the videos posted on Tuesday morning.

**Quiet Time/Meditation:** Find a quiet time each day to sit down and relax. Listen to calming music on Youtube <https://www.youtube.com/watch?v=iqmO1RlqorU>

**Collective Worship:** This can be found on our home learning page and has ideas for Monday and Wednesday.

**Christian Value of the week:** 'Wisdom'. You are all very clever! Make a list of all of the things that you have learnt since you started in Emerald Class.

<p><b><u>Monday</u></b></p>	<p><b><u>Calendar &amp; Weather</u></b></p> <p>Can you describe the weather? What can you see in the sky? Watch the video below. What season do you think it is now? Have you noticed anything growing in the park? Can you draw a picture to show which season it is and write words or a sentence to describe the season.</p> <p><a href="https://www.youtube.com/watch?v=Iisj2kTZIFs">https://www.youtube.com/watch?v=Iisj2kTZIFs</a></p>	<p><b><u>ICT/News Sharing</u></b></p> <p>I would love to find out what you have been doing in the half term holidays! Have you been enjoying the beautiful weather? Write a post on our blog page on the school website. You can also comment on your friend's posts.</p> <p><a href="http://www.st-marks.islington.sch.uk/blog/sunny-half-term-holidays/">http://www.st-marks.islington.sch.uk/blog/sunny-half-term-holidays/</a></p>	<p><b><u>Music</u></b></p> <p>Learn how to move like the Mad Hatter and create your own 'body percussion' dance, inspired by Alice's Adventures in Wonderland.</p> <p><a href="https://learning-platform.roh.org.uk/the-mad-tapper/">https://learning-platform.roh.org.uk/the-mad-tapper/</a></p> 
<p><b><u>Tuesday</u></b></p>	<p><b><u>PSHE – 'St Mark's Got Talent'</u></b></p> <p>Share your best talent with Miss Adams to enter our competition! Record a video of yourself or take a photo showing us a special talent e.g singing, dancing, gymnastics, juggling, magic. The deadline for entrants in Friday 5<sup>th</sup> June. For more details, follow the link below:</p> <p><a href="http://www.st-marks.islington.sch.uk/news/the-early-years-of-st-marks-has-got-talent-2020/">http://www.st-marks.islington.sch.uk/news/the-early-years-of-st-marks-has-got-talent-2020/</a></p>	<p><b><u>Maths</u></b></p> <p>Draw dinosaurs of different lengths or print some from the internet. Look carefully at their length. Which is the longest? Which is shortest? How do you know? Which dinosaur is longer/shorter than the other dinosaur? Have a go at using the key words below to describe them.</p> <ul style="list-style-type: none"> <li>• Longer/shorter <ul style="list-style-type: none"> <li>• Length</li> </ul> </li> <li>• Longest/shortest</li> </ul>	<p><b><u>Story Telling and Writing</u></b></p> <p>Continue to work through the 'Mavis the Magical Cat' activities from the booklet to help develop your language and storytelling. When you have finished the activities, have a go at making a helicopter story and try to use some of the language from 'Mavis the Magical Cat'.</p>

**Wednesday**

**Topic/ICT**

Ask someone at home to help you research online different types of dinosaurs. You could also watch the video below:

<https://www.youtube.com/watch?v=bENtOFR66YY>

Can you remember the names of any of the dinosaurs? Which is your favourite dinosaur? Can you describe it? Does it have a long neck or a long tail? What colour is the dinosaur? How does it travel, can it swim or fly or walk?

'Lance's Weekly Workout' can be found every Wednesday on the News Page.

**Maths**

Have another look at the dinosaurs you made yesterday for Maths. Have a go at ordering the dinosaurs from the shortest to the longest. Make sure you order them fairly, using the same starting point, e.g. their tail or mouth. Use the key words from yesterday as you order them.

**Family Box**

In Emerald Class we have our own Family Tree display. Have a go at making your own at home, on your living room or bedroom door. For the trunk and branches you could use brown tissue paper, brown wrapping paper or draw and colour in a big tree using white paper. Then have a go at making some leaves to go on your tree. Ask somebody at home to give you photos of your family to decorate the tree and remind you of your loved ones.

**Thursday**

**Topic/Literacy**

Draw a picture of your favourite dinosaur. Think carefully about what your dinosaur looks like.

Label or a write sentence to describe your dinosaur, e.g. 'sharp teeth' or 'a T-Rex has sharp teeth'. Try to sound out the words by yourself and use your Phase 2 and 3 sound mats to help you. Also use the tricky words if you need help. You can find these on the home learning page 'Phonics Resources'.

**Maths**

Have another look at the dinosaurs you made for Tuesday's Maths. Which dinosaur was the longest? Which was the shortest? Have a go at using cubes or pieces of paper cut into squares of the same size to measure your dinosaurs. Have a go at writing the amount of cubes you used to measure the length of each dinosaur.

**RE**

Big Question: Who cares for this special world andwhy?

This Week's Question: How can we care for our school?

Our school and play ground can get messy when we drop our fruit or when the leaves fall to the ground. How can we help to look after our school? Who else helps to care for our school? Watch the video of The Good Samaritan from the link below:

<https://www.youtube.com/watch?v=aSfm2xdKau4>

Christians believe that everyone is responsible for looking after our environment because we are borrowing God's world and need to look after it. Have a go at writing a thank you letter to Steve to say thank you for caring for our school and keeping it clean and safe for us. Bring it to Miss Adams when you are back at school and she will give it to Steve.

Friday

Topic/DT

Collect empty boxes, kitchen roll tubes, bottle lids and cartons. Have a go at making your favourite dinosaur using the junk. Try to attach the objects together using tape. You could paint your dinosaurs when they are finished. Remember to add extra details, like sharp teeth or spikes. When you have finished take a picture and email it to [admin@st-marks.islington.sch.uk](mailto:admin@st-marks.islington.sch.uk) and Miss Adams will share them on the blog page.

Maths

Remind yourself of the information you found out about dinosaurs Wednesday. Print pictures of up to 10 dinosaurs or ask someone at home to help you draw them. Describe the features of the dinosaurs and try to sort them into groups, e.g. whether they have wings, tails, if they can swim, if they are herbivores, omnivores or carnivores.

Freestyle Fridays

Play your favourite music and take it in turns with your family to dance your best moves in the middle of the room! Have you learnt any new dance moves since you started Emerald Class? Which moves are you excited to share with your friends?
