

Letter to Sparta

Imagine you are General Miltiades, the leader of the Athenian army. You are going to write a letter to the Spartan army in which you will ask them to help you fight the Persians.

Dear Sparta,

Help! I have sent Pheidippides with this letter to ask you _____

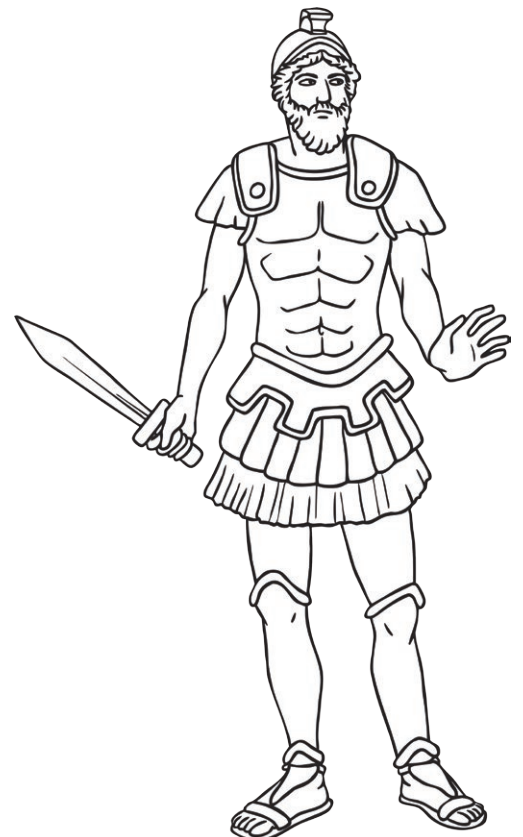

The Persian army are on their way to attack us. They have _____

I know we have lots of differences like _____

But please come and help us anyway!

General Miltiades

Letter to Sparta

Imagine you are General Miltiades, the leader of the Athenian army. You are going to write a letter to the Spartan army in which you will ask them to help you fight the Persians. You should include:

- how big the Persian fleet is;
- why they are coming;
- what you want the Spartans to do;
- how far Pheidippides has come with the message.

You could also mention the similarities and differences between the Athenians and the Spartans.

Dear Sparta,

Help! I have sent Pheidippides with this letter to ask you _____
