

# Summer 2 – ‘Dinosaurs!’

## Emerald Class Timetable – Week beginning 15<sup>th</sup> June

**Daily exercise:** Workout with Joe Wicks on Youtube (9am-9.30am) and 'Lance's Wednesday Work Out' on the St Mark's News Page.

**Daily reading:** read to or share a story with somebody at home. What is the setting, character, problem and resolution in the story?

**Phonics:** Practise your phonics by using the resources on the Emerald Class home learning page and watching the videos posted on Tuesday morning.

**Quiet Time/Meditation:** Find a quiet time each day to sit down and relax. Listen to calming music on Youtube <https://www.youtube.com/watch?v=iqmO1RlgorU>

**Collective Worship:** This can be found on our home learning page and has ideas for Monday and Wednesday.

**Christian Value of the week:** 'Peace'. What makes you feel peaceful and calm?

### Monday

#### Calendar & Weather

Can you remember the song 'what is the weather today?' have a look outside your window and describe the weather. Use a calendar to find the day of the week, the date and the month.

#### ICT

Log in to your Busy Things account (these were sent via Ping a few weeks ago). Go onto the Nursery page and select dinosaur colouring. Which dinosaur did you choose? What colour will you make it? Try practising dragging a mouse/finger and selecting a tool.  
<https://www.busythings.co.uk/play/#>

#### Music

Below this table there is a dinosaur song for you to learn. Try to make some actions to go with the words. What do you notice about the words in the song? What do you notice about the numbers?

### Tuesday

#### Topic/Literacy

A letter has appeared in our classroom! Who do you think it could be from? Read our dinosaur blog on our class page to find out what it says. Have a go at sounding out some of the words. Do you recognise any tricky words?

#### Maths

This week we will be using 'Princess Mirror-Belle and the dragon pox' to help us with our maths. All of the resources can be found on the White Rose website, home learning, Reception. Today's activity is to create a 3d shape castle and spot the pattern mistake.

<https://wrm-13b48.kxcdn.com/wp-content/uploads/2020/06/Day-1-Princess-Mirror-Belle.pdf>

#### Topic/PE

Play some Jurassic Park music and have a go at moving like a dinosaur! Which dinosaur will you choose to be? Stomp your feet like a t-rex or flap your arms like a pterodactyl's wings. Waggle your bottoms like tails or move around the room on your hands and feet.

<p><b><u>Wednesday</u></b> <b>'Lance's Weekly Workout' can be found every Wednesday on the News Page.</b></p>	<p><b><u>Topic/PSHE</u></b></p> <p>Last week an egg appeared in our classroom and yesterday a mummy triceratops wrote a letter to ask us to keep it safe. Why is it important to keep the egg safe and protected? How will the mummy triceratops feel? How will we keep the egg safe?</p>	<p><b><u>Maths</u></b></p> <p>Today's activity is to count the spots and put the same amount into a tens frame. Remember to fill the top row first. Write a number sentence to show what you found.</p> <p><a href="https://wrm-13b48.kxcdn.com/wp-content/uploads/2020/06/Day-2-Princess-Mirror-Belle.pdf">https://wrm-13b48.kxcdn.com/wp-content/uploads/2020/06/Day-2-Princess-Mirror-Belle.pdf</a></p>	<p><b><u>PSHE</u></b></p> <p>Listen to the story 'Ruby's Worry' using the link below: <a href="https://www.youtube.com/watch?v=NajPK4wgI8I">https://www.youtube.com/watch?v=NajPK4wgI8I</a></p> <p>Do you have any worries? What are they? How does it make you feel? How can you help your worry to go away? Who is a special person you can tell about your worry?</p>
<p><b><u>Thursday</u></b></p>	<p><b><u>Topic/Literacy</u></b></p> <p>Which materials will you use to build a nest for the egg? Make a list of the materials. Have a go at sounding out the words and draw a picture to show the nest that you would build.</p>	<p><b><u>Maths</u></b></p> <p>Today's activity is to put in order the things that the Princess did to cure the dragon pox. Make your own cure for dragon pox. <a href="https://wrm-13b48.kxcdn.com/wp-content/uploads/2020/06/Day-3-Princess-Mirror-Belle.pdf">https://wrm-13b48.kxcdn.com/wp-content/uploads/2020/06/Day-3-Princess-Mirror-Belle.pdf</a></p>	<p><b><u>RE</u></b></p> <p><b><u>Big Question: Who cares for this special world and why?</u></b> This Week's Question: How Does the Church Care For God's Special World?</p> <p>Look at the picture of St Mark's Church below the table. What is this place? What happens here? A church is a place where a group of Christians meet together to learn more about God, to thank God and to show their love for him. One of the ways Christians show their love for God is by helping people. What sort of things might they do?</p> <p>Give children a torch to hold and turn the lights off. Explain that Jesus said 'you are the light of the world' (Matthew 5:14) and that when we do things to show God's love, we are like lights in the dark. Show an image of a city that is lit up at night and talk about how when we do good to one another we are lighting up God's world.</p>
<p><b><u>Friday</u></b></p>	<p><b><u>Topic/DT</u></b></p> <p>Use your list from yesterday to build a nest for the egg. You can ask somebody at home to take a picture of your list and the egg and send it to <a href="mailto:admin@st-marks.islington.sch.uk">admin@st-marks.islington.sch.uk</a> (for the attention of Miss Adams), Miss Adams can then put it on our class blog.</p>	<p><b><u>Maths</u></b></p> <p>Today's activity is to make your own number track. How much toilet roll would it take to cover your body? <a href="https://wrm-13b48.kxcdn.com/wp-content/uploads/2020/06/Day-4-Princess-Mirror-Belle.pdf">https://wrm-13b48.kxcdn.com/wp-content/uploads/2020/06/Day-4-Princess-Mirror-Belle.pdf</a></p>	<p><b><u>Friday Cooking</u></b></p> <p>Use the recipe below (or your own) to make dinosaur cookies! Have a go at reading the ingredients and the numbers for how much you need. Try to weigh the ingredients and think about if you need more or less. Enjoy!</p>

# Ingredients

325g (11oz) plain flour, sifted, plus extra for dusting  
200g cold salted butter, cut into cubes  
125g caster sugar  
2 large free-range egg yolks  
1-2 tbsp whole milk  
few plastic toy dinosaurs with different-sized feet  
red, yellow, green and orange flavoured writing icing pens  
1 free-range egg, beaten

# Method

Put the flour and butter in a food processor and blitz until it resembles fine breadcrumbs. Or rub together into a bowl and with your fingertips until it resembles fine breadcrumbs. Kids will love doing this.

Add the sugar, vanilla, egg yolks and milk. Blitz again until it just comes together. If you're not using a food processor, mix the sugar and egg yolks with a knife, trying not to overwork the dough, until the mixture comes together in a smooth dough.

Tip out onto a lightly floured surface and roll into a cylinder. Wrap tightly with cling film and chill for 1 hour.

Preheat the oven to gas 6, 200°C, fan 180°C. Using a sharp knife, cut the dough into 1/2 cm discs and arrange on 2 lined baking sheets. Dip the dinosaur feet into plain flour, then press into the top of each biscuit to make several foot prints on each one. Kids will really love doing this.

Brush with the beaten egg and bake in the preheated oven for 15-18 minutes, or until just golden.

Remove from the oven and transfer to a wire rack to cool. While the biscuits are still warm, press the dinosaur feet into the indents to make them more distinct and leave to cool.

Fill in the imprints with different-coloured writing icing and set aside until set. Kids will love decorating the biscuits with icing

## Five Enormous Dinosaurs

(Say as a spoken rhyme or make up your own tune.)

Five enormous dinosaurs,  
Letting out a roar.  
One went away,  
And then there were four.

Four enormous dinosaurs,  
Crashing down a tree.  
One went away,  
And then there were three.

Three enormous dinosaurs,  
Eating meaty stew.  
One went away,  
And then there were two.

Two enormous dinosaurs,  
Trying to run.  
One ran away,  
And then there was one.

One enormous dinosaur,  
Afraid to be a hero.  
He went away,  
And then there was zero.
