

Enquiry Based Concept Grid (linked to Christian Values)

	Fulfilling Future A dive into the roles and responsibilities we share to look after our common home, the Earth. We will seek to understand relationships between communities, cultures and how we can work together to ensure the planet is a clean, peaceful and sustainable home. We will seek to establish how by embracing our role as stewards of the Earth, we can lead a fulfilling future. 	Our Journey An enquiry into how our place and time is influenced by those who came before us and those we share it with today. We will seek to look at migration and immigration and consider the impact on our society. There will be a reflective glance at our past and how our journey will impact the future lives of others. Everyone has a story to tell. 	Value of God's Word A spiritual-based enquiry into how hope, Christian faith and doctrine has impacted each of our lives and the lives of others. We will seek to understand the expression and value of God's word upon our lives. We will focus on how we can use this knowledge to appreciate, enjoy and reflect on ourselves. 	Togetherness An enquiry into the natural world and its laws with a look at the interaction between the natural world and human societies. We will investigate how humans use their understanding of international communication and global responsibilities to show the importance of the togetherness of mankind. <i>'Thy word is a lamp to my feet and a light to my path.'</i> <i>Psalm 119 Vs 105</i>	Growing in Confidence A broad enquiry into how we grow physically, emotionally and mentally. We will examine how we can learn to understand our identity and sense of belonging on a personal level. We will seek to understand how becoming unique and special individuals can be aided through growing in confidence. 	Life and Learning An enquiry into our rights as valued members of a global community. We will consider how the choices we make can lead to positive and negative influences around us. We will explore how our life and learning journey is appreciated by each of us our potential fully realised. 
	Hope and Peace	Thankfulness and Friendship	Service, Compassion and Humility	Creation and Koinonia	Trust and Endurance	Justice, Wisdom and Forgiveness

Year 1	We need to care for the living world around us	Modern toys are more fun than toys from the past.	How do the Ten Commandments help us to live our life morally?	What makes the United Kingdom united?	Our differences make us unique and special	Who can help us if we do not feel safe?
Year 2	We are stewards of the earth.	Influential people have shaped the world we live in today.	The power and hope of God's word.	How do we utilise natural and man-made materials?	Peaceful relationships are created through mutual understanding and respect.	We learn from the mistakes of ourselves and others
Year 3	Light is a form of energy that is part of our everyday lives.	What can we learn from looking back at British history?	How do the Ten Commandments influence Christian's lives?	Communication can positively influence and benefit our society	Our bodies change as we grow older.	Humans have developed many skills over thousands of years which still affect our lives today.
Year 4	The rainforests are fundamental to the survival of our planet.	Migration around the globe creates a culturally rich society.	Courageous advocacy makes a difference.	How do human choices today impact tomorrow's world?	We express ourselves creatively through new experiences	A healthy, balanced lifestyle is a fun lifestyle?
Year 5	Climate change is affecting our country. Act now!	Without Ancient Civilisations, we would not be where we are today.	Like Jesus, humans can express themselves through peaceful protest and make a change.	Individuals have a duty to make positive choices for themselves and their society.	Our bodies change – and that is a great thing!	Social change allows us the chance to eat healthily and have a balanced life.
Year 6	Society must work together to acknowledge and learn from the mistakes of the past.	Studying history helps us to understand the world we live in today.	Hope motivates us into taking positive actions that can lead to positive results.	By working together, we can excel as a society.	We challenge ourselves and take risks to grow as people.	The power of the written word should not be taken for granted.
