

Remote Education Policy

'Thy Word is a Lamp to my Feet
and a Light to my Path'
Psalm 119 v 105

"Every Child, Every Chance, Every Day"

Every Child, Every Chance, Every Day

St Marks CE Primary School **Policy for Computing**

Governors and staff are committed to delivering the very best for our children. Our Vision is fundamental to our role as a Church of England School with its roots coming from the original blessing and verse presented to our school on its official opening in 1955.

Thy word is a lamp to my feet and a light to my path.

Psalm 119 Vs 105

The following five components describe the desired outcomes we offer through it.

- *Together, we will prepare you for life and learning*
- *Together, we will teach you to live within the values of God's word*
- *Together, we will safely lead you on your journey*
- *Together, we will guide you to a fulfilling future*
- *Together, we will forever help you to grow in confidence*

1. Statement of School Philosophy

St Mark's has always strived to be creative, innovative and support our parents/children in the best way possible to make learning purposeful and holistic. Our strategy for remote learning continues this.

2. Aims

This Remote Education Policy aims to:

- Ensure consistency in the approach to remote learning for all pupils (Inc. SEND) who aren't in school through use of quality Online and offline resources and teaching videos
- Provide clear expectations members of the school community with regards to delivery high quality interactive remote learning
- Include continuous delivery of the school curriculum, as well as support of Motivation, Health and Well-Being and Parent support
- Consider continued education for staff and parents (e.g. CPD, Supervision and Meet the Teacher)
- Support effective communication between the school and families and support attendance

3. Who is this policy applicable to?

- A child (*and their siblings if they are also attending St Mark's C of E Primary School*) is absent because they are awaiting test results and the household is required to self-isolate. The rest of their school bubble are attending school and being taught as normal.
- A child's whole bubble is not permitted to attend school because they, or another member of their bubble, have tested positive for Covid-19.

Remote learning will be shared with families when they are absent due to COVID related reasons and not to all at start of week.

4. Content and Tools to Deliver This Remote Education Plan

Resources to deliver this Remote Education Plan include: -

- Use of *Live Video (Google Meet)* for Start Day registration, instructional videos and assemblies delivered on pre-recorded video.
- Phone calls home
- Printed learning packs
- Physical materials such as story books and writing tools
- Use of Google Classroom, BBC Bite-Size, Oak Academy, *Times Table Rockstars*.

5. Home and School Partnership

St Mark's School is committed to working in close partnership with families and recognises each family is unique and because of this remote learning will look different for different families in order to suit their individual needs.

St mark's will provide a refresher online training session and induction for parents on how to use Google Classroom as appropriate and where possible, provide personalised resources.

Where possible, it is beneficial for young people to maintain a regular and familiar routine. St Mark's Primary School would recommend that each 'school day' maintains structure-

We would encourage parents to support their children's work, including finding an appropriate place to work and, to the best of their ability, support pupils with work encouraging them to work with good levels of concentration.

Every effort will be made by staff to ensure that work is set promptly. Should accessing work be an issue, parents should contact school promptly and alternative solutions may be available. These will be discussed on case-to-case basis.

All children sign an 'Acceptable Use Policy' at school which includes e-safety rules and this applies when children are working on computers at home.

6. Roles and responsibilities

Teachers

To note: the suggested responsibilities below relate to where a whole class/bubble is isolating and would be reduced when it is fewer children isolating and the majority of the class are in school.
