3.6 School office staff

School office staff will:

1. Take calls from parents/carers about absence on a day-to-day basis and record it on the school system
2. Transfer calls from parents/carers to the senior staff where appropriate, in order to provide them with more detailed support on attendance

3.7 Parents

Where this policy refers to a parent, it refers to the adult the school and/or local authority decides is most appropriate to work with, including:

3.8 Pupils

Pupils are expected to attend school every day, on time

4. Recording attendance

4.1 Attendance register

1. We will keep an electronic attendance register, and place all pupils onto this register.
2. We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark, using the appropriate national attendance and absence codes from the School Attendance (Pupil Registration) (England) Regulations 2024, whether every pupil is:
 - a. Present
 - b. Attending an approved off-site educational activity
 - c. Absent
 - d. Unable to attend due to exceptional circumstances
3. Any amendment to the attendance register will include:
 - a. The original entry
 - b. The amended entry
 - c. The reason for the amendment
 - d. The date on which the amendment was made
 - e. The name and position of the person who made the amendment
 - f. See Appendix 1 for the DfE attendance codes.
4. We will also record:
 - a. For pupils of compulsory school age, whether the absence is authorised or not
 - b. The nature of the activity, where a pupil is attending an approved educational activity
 - c. The nature of circumstances, where a pupil is unable to attend due to exceptional circumstances
 - d. We will keep every entry on the attendance register for 6 years after the date on which the entry was made
- e. The school day starts at 8.50am and ends at 3.25pm**
- f. Pupils must arrive in school by 9.00am on each school day.**
 - i. The register for the first session will be taken at 9.00am and will be kept open until 9.05
 - ii. The register for the second session will be taken at 1.30pm and will be kept open until 1.35pm

4.2 Unplanned absence

1. The pupil's parent must notify the school of the reason for the absence on the first day of an unplanned absence by 9:10am or as soon as practically possible, by calling the school office staff, who can be contacted on 0207 272 5967 admin@st-marks.islington.sch.uk
2. Whilst emailing is an option it is preferable that parents phone the school

We will mark absence due to physical or mental illness as authorised, unless the school has a genuine concern about the authenticity of the illness.

3. Where the absence is longer than 5 days, or there are doubts about the authenticity of the illness, the school will ask for medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.
4. If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents will be notified of this in advance.

4.3 Planned absence

1. Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent notifies the school in advance of the appointment.
2. All requests for term time absence must be made in writing 4 weeks prior to your desired date of departure. Forms are available at the school office.
3. However, we encourage parents to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.
4. The pupil's parent must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

4.4 Lateness and punctuality

1. A pupil who arrives late:
 - a. Before the register has closed will be marked as late, using the appropriate code
 - b. After the register has closed will be marked as absent, using the appropriate code
 - c. Punctuality is monitored weekly. The number of lates for each class is shared in celebration assembly and an 'Early Bird' award is presented. Children with ongoing punctuality issues are offered alarm clocks and free breakfast club places. Parents are written to regarding the impact poor punctuality can have on a child's progress.

4.5 Following up unexplained absence

1. Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:
 - a. Call the pupil's parent on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the pupil's emergency contacts, the school may contact the Police
 - b. Identify whether the absence is approved or not
 - c. Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session(s) for which the pupil was absent
 - d. Call the parent on each day that the absence continues without explanation, to make sure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving an education welfare officer
 - e. Where relevant, report the unexplained absence to the pupil's youth offending team officer
 - f. Where appropriate, offer support to the pupil and/or their parents to improve attendance

- g. Identify whether the pupil needs support from wider partners, as quickly as possible, and make the necessary referrals
- h. Where support is not appropriate, not successful, or not engaged with: [issue a notice to improve, penalty notice or other legal intervention

4.6 Reporting to parents

1. The school will regularly inform parents (see definition of 'parent', as used in this policy, in section 3.7 above) about their child's attendance and absence levels.

The following classifications are used in your child's end of year school reports:

Attendance	98%-100%	Excellent attendance
	97%-97.9%	On target attendance–good
	96%-96.9%	Satisfactory
	90.1%-95.9%	Attendance must improve
	90% and below	Persistent absentee

Punctuality	0-3 late marks in a year	Excellent
	4-9 late marks in a year	Needs improving
	10 or more late marks in a year	Persistently late, urgent improvement needed

5. Authorised and unauthorised absence

Female Genital Mutilation (FGM)

If a teacher or other member of staff suspects that a student has been removed from, or prevented from, attending education as a result of FGM or in order to undergo FGM, a referral should be made to the local authority children's social care and the police.

5.1 Approval for term-time absence

1. The headteacher will allow pupils to be absent from the school site for certain educational activities, or to attend other schools or settings
2. The headteacher will only grant a **leave of absence** to a pupil during term time if the request meets the specific circumstances set out in the [2024 school attendance regulations](#).
3. These circumstances are:
 - a. Taking part in a regulated performance
 - b. Attending an interview
 - c. Study leave
 - d. A temporary, time-limited part-time timetable
 - e. Exceptional circumstances
4. A leave of absence is granted at the headteacher's discretion, including the length of time the pupil is authorised to be absent for.
5. We define 'exceptional circumstances' as one off events which are unavoidable, examples may include the death of a close relative, attendance at a funeral, respite care of a looked after child, a housing crisis which prevents attendance.
6. Leave of absence will not be granted for a pupil to take part in protest activity during school hours.
7. As a leave of absence will only be granted in exceptional circumstances, it is unlikely a leave of absence will be granted for the purposes of a family holiday.

8. The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant background context behind the request.
9. Any request should be submitted as soon as it is anticipated and, where possible, at least 4 before the absence, and in accordance with any leave of absence request form, accessible via the school office.
10. The headteacher may require evidence to support any request for leave of absence. I.e. Dr Letter or Appointment invite
11. Other valid reasons for **authorised absence** include (but are not limited to):
 - a. **Illness** (including mental-health illness) and medical/dental appointments (see sections 4.2 and 4.3 for more detail)
 - b. **Religious observance** – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parent(s) belong(s). If necessary, the school will seek advice from the parent's religious body to confirm whether the day is set apart
 - c. Parent(s) travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision
 - d. If the pupil is currently suspended or excluded from school (and no alternative provision has been made)
 - e. Other reasons the school may allow a pupil to be absent from the school site, which are not classified as absences, include (but are not limited to):
 - i. Attending an offsite approved educational activity, sporting activity or visit or trip arranged by the school
 - ii. Attending another school at which the pupil is also registered (dual registration)
 - iii. Attending provision arranged by the local authority
 - iv. Attending work experience
 - v. If there is any other unavoidable cause for the pupil not to attend school, such as disruption to travel caused by an emergency, a lack of access arrangements, or because the school premises are closed

5.2 Sanctions

1. Our school will make use of the full range of potential sanctions – including, but not limited to, those listed below – to tackle poor attendance. Decisions will be made on an individual, case-by-case basis.
2. **Penalty notices**
 - a. The headteacher (or someone authorised by them), local authority or the police can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age, by issuing a penalty notice.
 - b. If the school issues a penalty notice, it will check with the local authority before doing so, and send it a copy of any penalty notice issued.
 - c. Before issuing a penalty notice, the school will consider the individual case, including:
 - i. Whether the national threshold for considering a penalty notice has been met (10 sessions of unauthorised absence in a rolling period of 10 school weeks)
 - ii. Whether a penalty notice is the best available tool to improve attendance for that pupil
 - iii. Whether further support, a notice to improve or another legal intervention would be a more appropriate solution
 - iv. Whether any obligations that the school has under the Equality Act 2010 make issuing a penalty notice inappropriate
 - d. Each parent who is liable for the pupil's offence(s) can be issued with a penalty notice, but this will usually only be the parent/parents who allowed the absence.
 - e. The payment must be made directly to the local authority, regardless of who issues the notice. If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

- f. If issued with a **first** penalty notice, the parent must pay £80 within 21 days, or £160 within 28 days.
- g. If a **second** penalty notice is issued to the same parent in respect of the same pupil, the parent must pay £160 if paid within 28 days.
- h. A **third** penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of the issue of the first penalty notice. In a case where the national threshold is met for a third time within those 3 years, alternative action will be taken instead.
- i. A penalty notice may also be issued where parents allow their child to be present in a public place during school hours without reasonable justification, during the first 5 days of a suspension or exclusion (where the school has notified the parents that the pupil must not be present in a public place on that day). These penalty notices are not included in the National Framework, not subject to the same considerations about support being provided, and do not count towards the limit as part of the escalation process.
- j. In these cases, the parent must pay £60 within 21 days, or £120.

3. Notices to improve

- a. If the national threshold has been met and support is appropriate, but parents do not engage with offers of support, the school may offer a notice to improve to give parents a final chance to engage with support.
- b. Notices to improve will be issued in line with processes set out in the local code of conduct for the local authority area in which the pupil attends school.
- c. They will include:
 - i. Details of the pupil's attendance record and of the offences
 - ii. The benefits of regular attendance and the duty of parents under [section 7 of the Education Act 1996](#)
 - iii. Details of the support provided so far
 - iv. Opportunities for further support, or to access previously provided support that was not engaged with
 - v. A clear warning that a penalty notice may be issued if attendance doesn't improve within the improvement period, along with details of what sufficient improvement looks like, which will be decided on a case-by-case basis
 - vi. A clear timeframe of between 3 and 6 weeks for the improvement period
 - vii. The grounds on which a penalty notice may be issued before the end of the improvement period

6. Strategies for promoting attendance

The school has an attendance display near to the school office which shows which class has the highest levels of attendance and punctuality during the previous week. Good attendance and punctuality will be celebrated using whole school strategies such as congratulating and rewarding classes with the best weekly attendance, awarding individual certificates, and giving medals to pupils with 100% attendance at the end of each school term.

7. Supporting pupils who are absent or returning to school

7.1 Pupils absent due to complex barriers to attendance

Set out your approach towards pupils with complex barriers to attendance, including how you work with families and strategies for removing in-school barriers.

7.2 Pupils absent due to mental or physical ill health or SEND

When addressing pupils who are absent from school due to mental or physical ill health or their Special Educational Needs and Disabilities (SEND), our school is committed to creating a supportive, inclusive environment. Our approach includes clear communication with families, personalised adjustments for learning, and targeted additional support to ensure that every pupil can continue their education in a manner that respects their health needs and learning requirements.

- **Working with Families:** We prioritise open communication and collaboration with families, developing personalised support plans and offering empathetic, practical support for children with prolonged absences.
- **Adjustments to Learning Support:** Flexible attendance options, remote learning access, and alternative assessments help ensure that pupils can keep up with their studies in a way that respects their health and SEND needs.
- **Additional Support Services:** Tailored learning support from our SENCO, access to counselling, and reintegration programmes with mentoring and structured check-ins provide targeted assistance for absent pupils.
- **Ongoing Monitoring and Development:** Regular check-ins, feedback from families and pupils, and continuous staff training ensure effective, responsive support for every pupil's educational journey.
- **Liaison with New River College Outreach Medical Branch:** We work closely with families and the New River College Outreach Medical Branch when a medical condition prevents a pupil from attending school, ensuring that educational support aligns with medical recommendations and the pupil's health needs.

Where a pupil has an education health and care (EHC) plan and their attendance falls, or the school becomes aware of barriers to attendance that related to the pupil's needs, the school will inform the local authority.

7.3 Pupils returning to school after a lengthy or unavoidable period of absence

- **Personalised Reintegration Plan:** We work with families to create tailored plans, addressing the pupil's specific needs and concerns, including phased attendance or modified expectations if needed.
- **Academic and Pastoral Support:** Designated staff members provide emotional support and regular check-ins.
- **Social Reintegration:** A peer buddy system and gradual reintroduction to group activities help the pupil rebuild social connections and regain confidence.
- **Ongoing Monitoring and Adjustment:** Regular review meetings and feedback from the pupil and family allow us to adjust support as needed, ensuring a smooth and positive reintegration process.

8. Attendance monitoring

Explain how your school monitors attendance and absence data (including punctuality data), and systematically and regularly analyses it.

8.1 Monitoring attendance

1. The school will monitor attendance and absence data (including punctuality) half-termly, termly and yearly across the school and at an individual pupil, year group and cohort level.
2. Specific pupil information will be shared with the DfE on request.
3. The school has granted the DfE access to its management information system so the data can be accessed regularly and securely.

4. Data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics.
5. The school will benchmark its attendance data at whole school, year group and cohort level against local, regional, and national levels to identify areas of focus for improvement, and share this with the governing board.

8.2 Analysing attendance

The school will:

1. Analyse attendance and absence data regularly to identify pupils, groups or cohorts that need additional support with their attendance, and
2. Identify pupils whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence
3. Conduct thorough analysis of half-termly, termly, and full-year data to identify patterns and trends
4. Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

8.3 Using data to improve attendance

The school will:

1. Develop targeted actions to address patterns of absence (of all severities) of individual pupils, groups or cohorts that it has identified via data analysis
2. Provide targeted support to the pupils it has identified whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence, and their families (see section 8.4 below)
3. Provide regular attendance reports to class teachers to facilitate discussions with pupils and families, and to the governing board and school leaders (including special educational needs co-ordinators, designated safeguarding leads and pupil premium leads)
4. Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies
5. Share information and work collaboratively with other schools in the area, local authorities and other partners where a pupil's absence is at risk of becoming persistent or severe, including keeping them informed regarding specific pupils, where appropriate

8.4 Reducing persistent and severe absence

1. **Persistent absence** is where a pupil misses **10%** or more of school
2. **Severe absence** is where a pupil misses **50%** or more of school.
3. Reducing persistent and severe absence is central to the school's strategy for improving attendance.

The school will:

1. Use attendance data to find patterns and trends of persistent and severe absence
2. Consider potential safeguarding issues and, where suspected or present, address them in line with Keeping Children Safe in Education
3. Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable or at risk of persistent or severe absence, or who are persistently or severely absent, to:
 - a. Discuss attendance and engagement at school
 - b. Listen, and understand barriers to attendance
 - c. Explain the help that is available
 - d. Explain the potential consequences of, and sanctions for, persistent and severe absence
 - e. Review any existing actions or interventions

- f. Provide access to wider support services to remove the barriers to attendance, in conjunction with the local authority, where relevant
- g. Consider alternative support that could be put in place to remove any barriers to attendance and re-engage these pupils. In doing so, the school will sensitively consider some of the reasons for absence
- h. Implement sanctions, where necessary (see section 5.2, above)

9. Monitoring arrangements

This policy will be reviewed as guidance from the local authority and/or DfE is updated, and as a minimum annually by the headteacher and relevant staff. At each review, the policy will be approved by the full governing board.

10. Outliers

In our Attendance Policy, we acknowledge that some situations may involve challenging interactions with parents or guardians. To maintain compliance and foster a positive partnership, we are committed to approaching these circumstances with professionalism and empathy. We will ensure that all communications are clear and respectful, focusing on the best interests of the pupil. In instances where concerns arise, we will engage in constructive dialogue, seeking to understand the parent's perspective while reinforcing the importance of attendance for the child's educational success. Our goal is to create a supportive environment that encourages collaboration, ensuring that every pupil receives the assistance they need to thrive, even in difficult situations.

This policy links to the following policies:
