

The Lamp Post

'Shining a light on our learning journey.'

A huge well done to Year 6 for their focus, determination and positive attitude during SATs week. You all worked so hard and we are incredibly proud of the effort and resilience you have shown throughout the week.

Although it has been a very wet and windy week, we are all hoping for a little more sunshine in the weeks ahead!

As we move through the rest of the term, we would also like to thank parents and carers for your continued support with attendance and punctuality. Arriving on time each morning really helps children settle quickly and make the most of their learning from the very start of the day. We are continuing to work together to improve overall attendance and greatly appreciate your support in helping us achieve this.

Wishing all of our families a lovely weekend.

Ms Braithwaite

Bike Donation from Nurture Ed

A huge thank you to Nurture Ed for their generous donation of bikes for our pupils. The children have absolutely loved using them during playtimes and enrichment activities. It has been wonderful to see our playground space being used in so many positive, active and engaging ways, with pupils developing confidence, coordination and teamwork while having fun outdoors.

Year 6 Transition Project

As our Year 6 pupils begin preparing for the next stage of their education, they will be working on an exciting transition project with Miss Campbell to support their move to Year 7. The project will focus on building confidence, resilience and readiness for secondary school, while giving pupils time to reflect on their achievements and aspirations for the future.

Poetry Workshop with a Local Poet

We are delighted that pupils will be taking part in a six-week poetry workshop led by a local poet. This is a fantastic opportunity for children to develop their creativity, confidence in writing and love of language. We are looking forward to sharing some of their work with families later in the term.

Celebrating Positive Play

It has been lovely to see pupils making such positive use of outdoor spaces during break and lunchtime activities. From bikes and games to collaborative play and quiet social spaces, children are showing increasing confidence in playing together respectfully and inclusively.

Summer Fair Preparations

Preparations are already underway for our Summer Fair, with the provisional date set for 3rd July. We would really welcome any support from parents, carers and members of the community, whether through helping on the day, donating prizes or supporting stalls and activities. If you are able to help in any way, please let Y know — your support makes a huge difference.

Mary Poppins

Incase you haven't heard the supercalifragilisticexpialidocious news yet — our Year 6 pupils will be performing Mary Poppins as their end-of-year production this July! We are incredibly excited to watch them grow into their roles over the coming weeks as they rehearse the songs, dances and performances that are sure to make the show practically perfect in every way.

There is already lots of enthusiasm, energy and talent on display, and we know the final performance will be full of laughter, confidence and memorable moments. We cannot wait to see the magic come to life on stage — umbrellas at the ready!

Parents to dinner

Year 6 parents are invited to have lunch with their children on Thursday 4th June at 12:30. Please contact the office should you wish to attend — they cost £2.90.

...Weekly Attendance Report...

	Y1	Y2	Y3	Y4	Y5	Y6
Attendance	98.6	96.6	96.8	95.4	94.4	100
Lates	2.5	6.2	1.8	2.5	1.1	2.5
